“ Dave was a good friend to me and my husband. We've been out of touch for way too long and now he's suddenly gone. It happens all too often as we age that we lose touch with friends. Margaret, we may have been out of touch but the two of you have often been in our thoughts, always in our prayers and always in our heart. Our sincere condolences to you and to your entire family. Love from Bill and, Mickey (Head)

“ Dear Brian and family,

I am truly sorry to hear of your father's death. Whenever you spoke of him it was with the greatest admiration and respect, so I am sure he must have been a wonderful father. When we read in the Scriptures about the resurrection it gives us hope and comfort.

Your friend,

Leon
