“ I have known the Greenleaf family since childhood. My father was the rector of St. Alban's in the 1960s. We sang in the choir together and were in the Episcopal youth program. Dianne and I were good friends (and always will be). Our families were similar in that there were three girls in each of them who were close in age. Mr. Greenleaf was a wonderful man who loved his family. I remember him doing home repairs and mowing the grass. He really cared about taking care of his house and family. He was a loyal member of St. Alban's. He took us to Dairy Queen for ice cream, so of course he was a favorite with us! He will be greatly missed.
