“ I hadn't seen Lou in several years but I will NEVER forget her. She was not only a warm and caring person, she was also a wonderful nurse educator. I worked with her in Nursing Education and she taught me so much about professionalism in Nursing Practice. I will always remember her for the beautiful person that she was and will forever be.

“ Kim and Family,
I am so sorry to hear of your mom's passing. She was not only a pioneer in nursing education, but such a strong, dignified voice for women in the workplace years before its importance was recognized. In her wonderful, quiet but attentive way, she recruited and cultivated the best group of nurse educators I have ever known and loved. She was smart, fun, open minded and the hands down the best manager I have ever worked with. What a wonderful legacy she has left.
Sympathetically,

“ Lou's Family,

I was so saddened to hear of Lou's death. I was honored to work in Staff Development when Lou was Director. She was the best manager/director that I have ever worked for in my 40 year Nursing career. Her professionalism, grace, humor, intelligence and forward thinking were some of the many gifts she role modeled. Your Mother/Grandmother was an amazing woman who touched/taught so many. I know she will be deeply missed. May you all be held in the comfort of God's care during this difficult time.

With deep sympathy,

Elaine Fox (formerly Elaine Brown)

Jim and Bernie,

I am saddened by the loss of your Mom. She was the epitome of a lady. She touched many lives through her leadership. She was a visionary in teaching and leading others. She faced her greatest challenges after retirement with her health and then your Dad's. She faced those challenges with the dignity and grace as with everything else. Lou will always be in my heart. May you feel the living arms wrapping you in his love in the days ahead! (I would have loved to see the reunion with her beloved Dick)!

Lou's Family,

I am so saddened to hear about Lou's loss! I really loved her and appreciated her knowledge and skills as the Director of Staff Development at MCG. She was my role model and mentor. Truthfully, those were the happiest years of my professional career. I will always keep her in my heart. I am sorry I will not be able to attend the Mass or the Visitation because I am on vacation with my family until 6/26. I will send flowers. Blessings to all of you.
